 (Kindly note: the photos that you see here might not necessarily be the final version)

We are happy to update the development of Schuco. There will be 3 permanent categories: mini car/popular car/luxury car. Mini car and popular car will be presented in clear case for better display. You will see cars like McLaren 765LT and Lamborghini Countach 5000 which will be with wooden base, acrylic cover and handmade box, luxury packaging for luxury cars. In this announcement, please find the specials: Honda TN7 LOTUS JPS as a service car, carrying some spare parts. Also the VW T1 Advertisement Car presenting a detailed train track!
